7. [redacted] Talked with Congressman Ordin Reid about certain aspects of the stories concerning the [redacted] matter. He was completely sympathetic and indicated that he had not received much mail on this. 25X1

8. [redacted] Charles Johnson, House Post Office and Civil Service Committee, called to say that [redacted] had just handed him a letter of 4 November 1963 from me having to do with placement of the Director in level II of the pay bill. He said they wanted to apologize for not responding to the letter and, as we know, the Director is placed in level II and will be there no matter what bill comes out, and the Deputy Director will be in level III. 25X1

9. [redacted] Checked with the Ways and Means Committee Staff of the House who indicated that the Committee canceled their meeting today. The next meeting of the Committee is scheduled for 6 April. No information is presently available on possible consideration of miscellaneous legislation pending before the Committee. 25X1

10. [redacted] In a meeting with Mr. Samuel Archibald and Mr. Benny L. Case of the Mass Information Subcommittee, I procured copy number 3 of the Committee print of the Committee report on use of polygraphs by the Federal Government. This print is complete except for the Department of Navy responses which are undergoing correction. A print will be provided to CI Staff and the Office of Security. 25X1

11. [redacted]) During the day I provided copies of the Arends speech to 12 of the Congressional offices that had questioned the Agency concerning the [redacted] charges. In every instance the office was most appreciative of receiving a concrete basis for use in replying to their constituents. 25X1
